

Traffic Cameras, Sladen Street Henty

From Monday 23 July 2018 three (3) traffic cameras will be installed on Sladen Street, Henty to monitor traffic movements for a period of 2 weeks.

The cameras will be placed either end of Sladen Street and one in a central location capturing footage that will assist with any future engineering and safety developments.

Any queries please contact Greater Hume Council's, Road Safety Officer on 6036 0100.
